

## ***Do you want the Good News-- or the Good News??...***

Two NEW pages on the website: **BIRTHDAYS** and **NEWSLETTERS**.

Jump on the website's Home page <http://www.bulldogs67.com/index.html> and click on menu to the left. All known Bulldog birthdays are listed (Jan. - Dec.). All newsletters, too (eventually). Some call it Bulldog Banter. Doug Edwards calls it "the Bulldog." But whatever you call it, they all will be there (as soon as we find and convert them to PDF format). After clicking on Birthdays (or Newsletters), see gray box at bottom margin to **Zoom +** (if you want larger print) and to select "open PDF in Preview format."

### ***Bulldog Banter...***

**Kay Smith Trombino**, Aug. 2nd... The 60 birthday bash sounds great! I was planning on attending the Open House and Picnic with my brother, Ronnie Smith, SHS Class of '62. Look forward to seeing everyone there!

**Sharon Rausch Mason**, Aug. 1st... My sister still gets her flowers from Whitacre Flowers even though she lives in Carroll, Ohio. She was getting flowers the other day and was talking about growing up in the south-end and going to Southwood. Guess they are going to have an Open House, and I was just wondering if anyone knows when that will be.

I sure will be at the Open House for South. I want my grandkids to see were I went to school.

Also, Happy Birthday to all who are turning 60 in August. As for myself, it is very hard to believe I will be 60. Grandkids must be keeping me young.

### ***Lost Dog, Found...***

**Frank McCathran**, Aug. 1st... I was in line at Kroger's (02/03/06) when this guy

behind me says, "I bet you don't remember me, do you, Frank? We graduated together."

I did not, and he introduced himself. I wrote down his name and phone number on the receipt and could not find it, or remember to tell you, until today. I just found the receipt (*in his '67 Lens*). Better late than never. (*three and half years!?!@#*)

Welcome back, Jack Schafer, SHS '67 (Deshler Dawg and RJH Rough Rider '64)

## **Way back in 1949...**

*Excerpt from an article by Michael Pollan published in last Sunday's NYTimes about food and Norah Ephron's new movie about Julia Child:*

That learning to cook could lead an American woman to success of any kind would have seemed utterly implausible in **1949**; that it is so thoroughly plausible 60 years later owes everything to Julia Child's legacy.

## **Deceased Classmates...**

Bill Renner, RJH '64 (moved after 9th and lost track of him after that)

Jim Lendavic, SHS '68 (attended grade school at Corpus Christi)

Renner, who has been on our Lost Dog list for a long time, apparently passed away five or six years ago. Denny Barber says that Bill lived in the Buckeye Lake community, did HVAC work and married Annette Helser, who grew up on Ellsworth in the southend.

Denny, who served in the National Guard with Lendavic for twenty years, says Jim worked in Human Resources for the City of Columbus. He retired this past year and apparently passed away shortly after his retirement. Susie Wardlow, Lendavic and I swam and went off the boards together non stop at Crystal Pool. We played cards ("I Doubt It") endlessly at the pool and at the picnic table in her backyard (Jim lived on Studer next to Roger Peer SHS '63 and across the alley from Susie's house; Linda Pemberton lived across the street on Studer, and Judy Ross lived one block south).

Denny reminds me that Linda McCurdy lived across the street from Susie (and Gillenwaters) on Lockbourne Road. What a hoot.

Bob Dunno referenced Lendavic in the newsletter a few months back when he wrote about his band and its players. Apparently Jim sang for Dunno's band for a short time. Denny Barber says Jim lived in Newark, where he and his wife raised two children.

**Frank McCathran**, Aug. 5th...

A little boy was waiting for his mother to come out of the grocery store.

As he waited, he was approached by a man who asked, "Son, can you tell me where the Post Office is?"

The little boy replied, "Sure! Just go straight down this street a coupla blocks, and turn to your right."

The man thanked the boy kindly and said, "I'm the new pastor in town. I'd like for you to come to church on Sunday. I'll show you how to get to Heaven."

The little boy replied with a chuckle: "Awww, come on... you don't even know the way to the Post Office."
